ONE ACTION, LARGE IMPACT

You may look at that statement and think, “There’s no way I can make an impact on something with just one action.” For years, members from across our service territory have been doing just that. By switching to paperless billing or ACH bank draft payments (or both), members have not only benefited from the ease of paying their bill, but they’ve also helped the Cooperative control fixed costs.

Those who are registered for paperless billing or ACH bank draft payments will be entered to win a prize in June! Prizes include tickets to a Rochester Honkers game, bill credits, and rechargeable, batter-operated yard tools.

Join other members who have already made the switch and set up your account with paperless billing or ACH bank draft payments today.
