There are many reasons to
CHOOSE PAPERLESS

Some may want to save paper; others may monitor all their finances online. Some may be decluttering their mailbox; others may appreciate the protection that comes with a secure portal. One important reason from the Cooperative is that it helps us reduce fixed costs, which means less costs passed onto members.

Each year, the Cooperative spends nearly $85,000 just to mail members their monthly bill.

By going paperless, you can play an active role in helping decrease that cost. If all members received their bill electronically, it could decrease the cost by nearly 95%!

We're saying thank you with a special drawing!

Starting in 2022, we're saying thank you to those members who have chosen to enroll in paperless billing. This applies to members already enrolled in paperless billing and those who newly enroll. At the end of each quarter in 2022, we'll draw 10 names and give them a $100 or $50 gift card to one of a variety of local businesses in our service territory. Your account just needs to be set up for paperless billing to be eligible for the quarterly drawing! To get started, visit www.peoplesenergy. coop/paperless.
Enrolling is easy!

- **Log in to SmartHub*** and click "My Profile" in the top menu bar.

- **Once on SmartHub** click on "Update My Paperless Settings" and toggle the switch to "on" under the paperless column.

That's it! Moving forward, you will receive an email notification when your bill is available, as well as an email reminder three days before the due date to ensure you pay your bill on time. If you want to see your most recent bills, log on to SmartHub, and click on "Billing History" under the Billing & Payments drop-down in the top menu bar.
