People's Energy Cooperative

Your Touchstone Energy® Cooperative 

Corporate Profile

People's Energy Cooperative was incorporated on January 1, 1936, and currently serves 19,798 voting members in 23,406 homes and businesses connected to 3,000 miles of line spanning a service territory of 1,090 square miles throughout six counties. The Cooperative has 29 substations and purchases our power from Dairyland Power Cooperative and Interstate Power and Light.

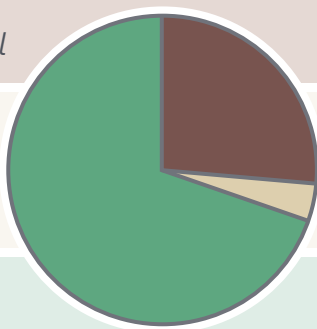

We employ 65 professionals who are committed to providing exceptional service and motivated to recognize risk and utilize safe work practices to protect themselves and others.

TOUCHSTONE ENERGY COOPERATIVE:

Electric cooperatives were established to provide electricity to rural America, and now make up the largest electric utility network in the nation. Touchstone Energy is the national brand identity for that network. Touchstone Energy Cooperatives are an alliance of local, consumer owned utilities around the country, committed to providing superior service at affordable rates to all members, large and small.
