

People's Energy Cooperative

Your Touchstone Energy® Cooperative 

Evergreen for Business Enrollment

Evergreen for Business is a program developed by Dairyland Power Cooperative, our primary power provider, to give member businesses and government entities the opportunity to make a difference and contribute to the increased development and use of utility-scale renewable energy.

Program Details

Members who use a minimum of 200 MWh's annually (200,000 kWh's or 16,667 kWh's/month) are eligible to subscribe to *Evergreen for Business*.

Participants may also choose how much of their annual electricity use to offset – from 200 MWh's per year up to 100 percent of their annual electricity use. Program participation is 60 cents per MWh (\$0.60/MWh or REC) with a minimum annual commitment of 200 MWh's (\$120).

This is in addition to your monthly electric bill.

As an *Evergreen for Business* participant, you can choose to be billed monthly or annually. The subscription fee per MWh is subject to change each year.

To participate, please complete this form and mail to our office (*address below*) or email it to memberservices@peoplesrec.com.
